 Assignment of New Contract Item Numbers

Dear Sir:

In accordance with established procedures, and in order that we may insure identification of construction projects to comply with contract modifications, we have found it advisable to assign the following contract item numbers:

A-211.1 - Soft Bell, Valley Bell, Morse Code Course - Site NotesA-211.2 - Forehouse (S-Max Test) - Site NotesA-211.3 - A. I. Landing Strip - Site Notes

The assignment of these three contract item numbers is in addition to the list of contract item numbers, revision 2, dated 2 September 1953.
